## Location

Weedon Interchange is located on Cavalry Hill Industrial Park, an established warehouse/industrial development on the outskirts of Weedon Bec, Northants. Occupying a prominent position at the entrance to the estate adjoining the intersection between Cavalry Hill and the High Street with frontage and access directly onto Cavalry Hill.

The High Street in turn gives immediate access to the A45 new Weedon/Flore Bypass which provides easy access to the M1 at Junction 16 within 4 miles to the east, Daventry approximately 6 miles to the northwest and Northampton is approximately 10 miles to the east.

Occupiers on the estate include Unipart Logistics, LM Manufacturing, Quality Nut Products and the DVSA Weedon Driving Test Centre.

## Description

The premises comprise a detached warehouse/production unit situated on a self-contained secure site. The unit is of steel frame construction with a mixture of brick and profiled steel-clad elevations beneath a triple pitched roof with storey office / ancillary accommodation. Internally the warehouse area is divided into two interlinked chambers and has a minimum internal eaves height of 5.2m (underside of the haunch) rising to 6.76m at the apex. There are three ground level loading doors (4.58m in height) to the front elevation with LED lighting provided throughout.

The office accommodation is a mixture of open plan and cellular in its configuration with staff and welfare facilities on the ground floor with heating and lighting throughout.

Externally there is a large secure service yard with gated access at a single point from Cavalry Hill. The yard provides provision for both commercial vehicle loading / movements and parking as well as employee car parking.
